

One Day, 100 Holes

Help us raise \$150,000 in a single day!

100% of donations go to work in our community helping our benefactors.

Welcome to Birdies4Brains 2019!

This annual event benefits individuals and families in our community who have needs resulting from a traumatic brain injury. What started as a small group of friends avoiding work to play golf on the Summer Solstice has turned into a unique charitable mission born from the personal experience of **Birdies4Brains** founder Brian Eder and his sister's inspiring recovery from a brain aneurysm.

› THE DETAILS

Birdies4Brains golfers play 100 holes in a single day.

For 16+ hours our golfers trek towards hole 100. Tee'ing off at 5:00 am and playing until the final putt on hole 100 drops. Spots limited to those who are crazy enough to play 100 holes and personally commit to fundraising \$2,000, plus paying a registration fee of \$350 to cover expenses of the day of golf.

- Top three fundraisers will get Private Lunch & Golf with the founder along with spouses at White Bear Yacht Club including appetizers and drinks after.
